Howard's Enamel for the Teeth
PRICE ONE SHILLING

FOR filling Decayed Teeth, however large the
cavity. It is superior to anything ever before
used, as it is placed in the tooth in a soft state,
without any pressure or pain, and in a short time
becomes as hard as the enamel, and will remain firm
in the tooth for many years, rendering extraction
unnecessary, and arrests all further progress of decay.
Prepared by **MR. HOWARD, Surgeon Dentist,**
17, George-street, Hanover-square, London.
Sold by all Medicine Venders—Price One Shilling
