## Fermoy C

Rev. THOMAS ROBINSON  
College, Dublin

THE half-yearly examination 24th, 25th, 26th of June examined in the following subjects, Algebra, Trigonometry, Navigation, French, German, Drawing, in its various departments, English Grammar, Geography, Composition, Mental Arithmetic, answering was such as to call for the approbation of the Examiners.

The Silver Medals presented to the successful answerers, one in Science and one in Literature, and rewards were given to the most deserving pupils.

The great increase of the number of pupils has led to the System of Educational arrangements meet the requirements of the University and Queen's College, and to the guarantee that a Sound Education will be given to all the pupils.

The School is regular in its attendance, and the Parish for Religious Instruction is maintained.

A Resident Classical Master is appointed immediately. None but the most distinguished and accomplished are admitted to the instruction.

who is not prepared to give proofs of Moral and Literary attainments.

Vacation will terminate the work of the School.

Prospectuses, containing full information, will be forwarded on application to

THOMAS ROBINSON, Ballycotton, July.
