the late LIMERICK OBSERVER who has become a
bankrupt, on the ground that the demands now made
were for money advanced by them as capital to start
the paper and this, he held, could not be converted
into a personal debt. He allowed the claim of Mr.
W. O'Hara, who never authorized his name to be
affixed to the prospectus. By this decision the liabili-
ties of the bankrupt are reduced by about £700.
The further hearing of the case was adjourned for
a month.

At the City Petty Sessions Court yesterday, before
the Mayor, Alderman Watson, Messrs. Hartigan,
Roche, Gavin, and M'Mahon. Charles M'Carthy

Surgeon Delmege (first class) has left Plymouth for
India to join the personal staff of the Commander-in-
Chief, Sir Colin Campbell, and is to be succeeded as
principal medical officer of the western district by
Staff Surgeon Hadly. Previous to the departure of
Dr. Delmege, the following order was issued at De-
vonport:—Brigade Office, Devonport, April 13th,
1858. District orders—Dr. Delmege having been
ordered to India, Major General Eden begs to ac-
knowledge the zeal and attention with which his
responsible duties have been performed while principal
medical officer of the western district, and has much
pleasure in recording his sense of the efficient
