IMPORTANT TO Farmers, Graziers
JOHN M'ADAM feels great pleasure to the Public and Breeders of Cattle, &c., his only perfect Cure for the Destructive Consumption, in Cattle. He believes that all the different cures that have been offered and advertised for this fell disease, are quite a failure. J. M'A. after many years' experience, can with perfect confidence say, that his Cure stands unrivalled, -in no one case has it been given at the commencement of the disease, and it has failed. He would earnestly request those who have young cattle suffering from this contagious disease, to give his cure a fair trial.
 J. M'A. has always on hand a large quantity of the best Fine Drugs, Spices, and Perfumery, patent Medicines, &c., which he will sell at a moderate price.
