

to Waterford, where, no doubt, the satisfaction to the citizens of the did while locally connected, with the Bonmahon mines in the county indefinitely postponed. Some were willing to work but others were not, and the result was that the to suspend the working of the steamers to be employed on the service to Dublin is ready, the conference for further time, as they will not start of August, and the delay has occasioned of ejectment on the title of Wm. Palmer, at the Mayo assizes circuit, against six defendants with costs. The County of Cork has obtained a verdict of damages against the Great Southern and Western Railway Company, for false arrest by a constable named Carroll, who stopped the Assumption that he was travelling in a carriage hired by another gentleman. The Mayo have taken all the precautions for establishing a lunatic asylum in the County of Kilkenny have sanctioned the operations of the operatives, to give up work, and this resolution has been confirmed at a public meeting of the citizens. A man named Lawrence Barry, was beaten to death at the last fair of Tubber, county Wick, and his son, bearing the approval of the jury, are in custody for this brutal murder. A carpenter, died on Tuesday at the age of 102 years,—she encountered difficulties to the last. She was a native of Clanricarde. A man named George Bull, a medical practitioner from England, was tried for manslaughter administered an over dose of medicine to another who was in the habit of drinking for a complaint. The jury acquitted him. The expedition for raising the money for the effort has proved to be worn and rotted away. The "Quadrilles," introduced into this country by Mr. Owens, are to be resumed by the next Advertisement.
