DEATHS.

We regret to announce the unexpected death of the Rev. Mr. De Courcy O'Grady, at the residence of Dr. MacDonnell, in this city, on the 18th August, of, we believe, inflammation of the bowels. He was but recently appointed Rector of Chambly. He was previously minister at Hemingford and Mascouche. At the latter place he held the office of Rural Dean. He goes to an early grave regretted by many friends. He was, we believe, painstaking and assiduous in the discharge of his sacred duties, and respected in all the relations of life. For particulars of his burial we refer to the usual obituary heading.—*Montreal Gazette*. (The deceased was nephew of the late O'Grady, of Kilballyowen, and cousin of the present.)
