This Year's List of Policy-holders (Class A) will remain open to new Entrants only until 5th April next.

Applications should be lodged on or before that date.

LIFE ASSOCIATION OF SCOTLAND.

PRINCIPAL FEATURES.

1. The Annual Allocation of Profits is made so as that the Policy-holders enjoy them DURING THEIR OWN LIVES; and thus the expense of Life Assurance is reduced as low as is consistent with Security. Policy-holders of the 1st Series are this year required to pay only 12s. 6d. (instead of twenty shillings) per £1 of their Premiums; and the allocation to the latest participating policies of the 2d Series has commenced at 25 per cent. of their Premiums, leaving only 15s. per £1 to be paid for this year.
2. The Outlay for a Life Policy may be MATERIALLY LESSENED by the "HALF-CREDIT SYSTEM," by which only half of the first six years' Premiums need be paid, with interest on the remaining half. Thus, for a Policy of £500, the first payment is only
 Age 20, £5 11 | Age 30, £6 11 3 | Age 40, £8 11 1 |
 Age 50, £12 5 0
3. The Extensive Business of itself gives a STABILITY and SECURITY not afforded by younger Institutions. The ANNUAL INCOME from Premiums, &c., is upwards of £180,000.
4. The Policy-holders DO NOT incur the RISKS of PARTNERSHIP, the Sums Assured being guaranteed.
5. The Policies now being issued are unusually free from Restrictions, and confer important facilities and privileges. These relate to Non-payment of Premiums,—Indisputability,—Limits of Residence and Occupation,—Military and Naval Service, &c. The Policies are thus unusually valuable, and form nearly absolute Securities for Debts. Advances of Money, Family Provisions under Marriage Settlements, &c.
