

the Espoir, 4, screw gunvessel, Com- and the armed steamer Sunbeam, las being in command. It will be the expedition met with consider- on the natives of the towns on the l that at one point their aggression s checked only by the energetic by Commander Douglas. From this soir returned with her officers and ifeebled state.

of the great increase of duty and olved on the direction of the Royal y at Woolwich, by the amalgama- es, the government has consented ion of salary of the Lieutenant- andant, Major-General Sandham, to m, instead of, as heretofore, £500 lowances equivalent to about £300 emption from payment of the local formerly granted, will, however, egulations be discontinued. The in- nt will consequently not exceed £200 am. An increase of salary to Colonel ommandant and Inspector of Studies consideration. The Gymnasium and nd the racket court attached, in the emy, are now completed. The former iciform style, with a lofty glass dome and galleries for spectators, and for eneral advantages it is considered blishment of the kind in Europe.

Wilson, of the Presbyterian Church, ehalf of the committee of the English urch, opened on Sunday last, at ch for the Presbyterian families there, cipally from Scotland. Very recently pel was burnt down, and a new place ted, with the view of enjoying the rgyman of the English Presbyterian lev. Dr. Wilson prefaced his sermon s on the design and object of the Eng- us in opening a church in Swansea.— aid, was not antagonistic to any sec- ch of Christ, but the result of a sense g them to look after the scattered ir own communion, and to help the n the field to overtake and instruct the rdance with the commission of the "Preach the Gospel to every crea- t chosen for the morning's devotion the first epistle of John, 3rd and 8th rning and evening services were very devotional; and the inaugural services ecognition.
