Dec. 19.

The late Rev. William Harkness.

WE, the tenants of the late Rev. William
 Harkness, on the Lands of GARRYFINE, in
 the Barony of Upper Connelloe, and County of Lime-
 rick, take this opportunity of publicly expressing our
 heartfelt sorrow for the death of a beloved Landlord,
 endeared to us by ties which a grateful people can
 never forget. When it pleased Providence to blight
 the fruits of the soil, he stood between us and desti-
 tution. When distemper swept away our cattle, he
 supplied the loss. When bad prices lessened our
 means, or sickness afflicted us, he was our consoler—
 he never exacted the *pound of flesh*. When emigra-
 tion thinned the homesteads of our neighbours, he
 bade us not despond—he encouraged us to remain, and
 till the land of our birth; in fine, he was to us a pa-
 rent and a protector, and in him we lost our best friend.
 We also bear testimony to the unremitting kindness and
 protection of our Agent, ROBERT IVERS, Esq., of
 Castle Ivers, who on every occasion acted as our
 friend, and whose exertions, on our behalf, went
 hand in hand with the benevolence of our landlord;
 and in trusting that our children will, for ages, be the
 tenants of the children of our Landlord, and that Mr.
 Ivers and his children will continue to be the agents
 over us and ours, is the sincere wish and prayer of

THE TENANTS OF GARRYFINE.
