

as well as the praise of the united Kingdom, there can hardly be put on anyone's mind but that the cheap meat for the working class has been solved.

This beef is not as was at first persons—a Government enterprise; imported into this country by an "Merchant" at Monte Video.

The sale of it in this city are Messrs. Messrs. Provision Merchants, William-informed that it will be sold in the almost extraordinarily low price.

To produce this beef to the working class, the enterprising agents are to give a public dinner, at which, we believe, a large number of equals will attend, and the merits of food discussed in a practical manner.

Mr. Joshua Clarke, Q.C., has been elected to the honourable society of King's Bench. Mr. Jones, Q.C., resigned. Mr. Jones of quarter sessions for the county of Limerick.

This is named as the amount paid to the Government in the case, in which the gossip of the day for days past; the fair but disappointing of a domestic nature. It was stated to-day in West-Cabinet Council would be called for.

It is often made through not exact you purchase. How often have we seen papers palmed off on ladies an intending to buy BORWICK'S BAKING they realize a larger profit by the fact that Borwick's is the only Baking Powder sold by Dr. Hassell (Author of "The Standard") &c., an Analyst to the Government, for its perfect wholesomeness in making Bread without Yeast, and for its light and digestible. For health use no other.
