Magdalen Asylum Bazaar.

THE Community of the Good Shepherd, Clarendon Street, Limerick, tender to the Public of every persuasion their most grateful and heartfelt Thanks for their Contributions and generous Support on the occasion of their late Bazaar in aid of the Magdalen Asylum.

To the Ladies, who, with the highest and purest feelings of charity, undertook to preside at the Bazaar, and who spared no pains nor labour in their exertions to those who kindly assisted them in the room, and to all who have generously encouraged the good work by their attendance at the Bazaar, or by disposing of Tickets, they owe, and beg to offer most earnestly their especial Thanks. The Bazaar realized the sum of £540.

This news will be gratifying to all classes who recognize in this old Institution of our City a Charity the most profound, inasmuch as it affords an asylum and a shelter to the most destitute and abandoned of God's creatures. Well, indeed, does the public of every persuasion, by their generous support, sympathize with and appreciate the Mission of this Community, so like to that of our Divine Lord and Saviour Jesus Christ, who came "not to call the just, but sinners to repentance," and well and deeply does this Community value and feel the charitable interest and generous support ever held out to them; nor do they ever cease in prayer to call down upon their numerous benefactors the blessings of Him, in whose most holy Name even a cup of cold water does not lose its reward. November 5.

LIMERICK PROTESTANT YOUNG MEN'S ASSOCIATION.—It will be seen by referring to our advertising columns that the first of the winter course of lectures in connexion with this admirable Society will be delivered on next Wednesday evening in the Protestant Orphan Hall, by the Rev. R. H. Loane, A.M. of Cork, whose very able and eloquent lecture last session shall not soon be forgotten by those who heard it. He has selected for his subject "the air we breathe" illustrated with some beautiful chemical experiments. We perceive that in order to allow all an opportunity of attending those lectures, the Committee have reduced the price of the season ticket for admission to the course of twelve lectures to 2s; also the family ticket to admit four to single lecture to 1s. We hope that the Protestant public will show their appreciation of the benefits conferred by the Society and be present in large numbers at the Hall on Wednesday evening next.

The Bible Class in connexion with the Protestant Young Men's Association will be held on Tuesday evening, at 8 o'clock. Subject—The Church in the world but not of it—Genesis 46th chapter. Young men are affectionally invited to attend.
