

organising the army of the Potomac. Assistant Provost Marshal, telegrapher for the 41st Illinois Regiment. He has also been requested to send to Indianapolis. This indicates trouble of a serious nature. The force is concentrating at Round Bay.

Joseph Halt will succeed Secretary. Forces are concentrating at Cambridge. Generals Marmaduke and Fremont are at the head of the force.

75 miles above Alexandria, on the 15th inst., the Confederates capturing 20 pieces of artillery. The remainder is reported to have retreated.

report the landing of a large force at Washington, North Carolina. The steamer Linda, from Nassau, and the Havannah, of Nassau, have been captured.

General Forrest, with a force of 5,000 men, succeeded in capturing it, and the destruction of the city by fire. Three batteries immediately opened fire on the city and the Confederates.

FINANCIAL AND COMMERCIAL.
 LIVERPOOL 11.—Gold, 167; stocks feverish; cotton in Central, 148½; New York Central unchanged. Breadstuffs firm. — Market quiet. Pork in fair request. Demand for cotton firmer. Freights (see TELEGRAM PER ARABIA).

APRIL (EVENING)—By telegraph the Confederates have made a reconquest of Alexandria up the Red River to within two hundred prisoners and arms.

APRIL 10, P.M.—The Arabia, since she had continued easterly gales. A spell of westerly wind has driven her into Bay, and scattered it profusely. The harbour of Halifax has been two days by a heavy field of ice, west as far as the eye could reach. She arrived at 1.30 p.m. to-day. Her paddle has been damaged by ice. She repairs till 4 p.m. to-morrow (Saturday). There is no chance here.

of the hotel at Malta where Garibaldi put up refused to receive any message that he felt only too proud to illustrate a man as the General for the instance of Colonel Chambers, compelled to accept payment of his
