Proposed by Capt. E. Croker, Ballynagarde; seconded by E. J. Synan, Esq.:

Proposed by W. L. Joynt, Esq.; seconded by G. Vandeleur, Esq.:

Resolved—That in order to ascertain the extent of land so injured, and the cost of carrying out the improvements required, we appoint Mr. Cox, C.E. to make the necessary surveys of the main river and all its tributaries, and to prepare the sections, plans, estimates, and valuations required by the act, for the information of the proprietors, and the commissioner of public works.
