IMPORTANT TO LADIES.—The Parisian Cream of Glycerine and Almonds for Rough or Chapped Hands and Lips. This unique Preparation is (from experience) recommended for Softening and Whitening the Skin, and preventing the unpleasant effects of exposure to the harsh wind of Winter, or the Sun and Sea-breeze of Summer. From the universal satisfaction this remedy gave last Winter, we would strongly induce Ladies, who have not yet used it to give it a trial. In Pots, 6d. and 1s. each, the latter containing 3 of the smaller size. J. and W. LAIRD, Chemists, Druggists, and Perfumers, 118, George's-street, Limerick, nearly opposite the Club-House.
