The *Daily News* says it is  
land should pledge itself  
overtures of the Emperor  
says, is no ordinary war alth  
it is nothing less than a g  
Germany is reforming itself  
institutions, European exp  
dynastic interests. The his  
revolution may teach us the  
closely a people blowing wil  
formation. If the Emperor  
fifteen years advocated the  
now fears that its applicati  
convenient, and desires to  
France the measure of the  
shows once more that int  
theories ; but there is no re  
in his intervention.

The returns of the cattle  
week ending the 30th of J  
disease is gradually disappr  
pect that both England and  
tively free from it. As far  
present there is no living a  
fected by the plague.
