Vitriolized Bones.

MESSRS. CHRISTY beg to inform their Friends and the Public generally they are now prepared to deliver the above manure, and have in referring to the high character it has maintained since offered to the Public. They can recommend with confidence, knowing the results on the corn crops to be as satisfactory as those produced by direct application. Hence since now leaves no doubt as to the superiority of prime Bone over Phosph made from Coprolites. Crushed bones and V supplied at lowest Market prices. Half inch for top-dressing always on hand.
