Tobacco Juice.

FREE OF DUTY, FOR THE SHEPHERD, MANUFACTURED IN BOND, BY THE RICHMOND CAVENDISH COMPANY, (LIMITED.)

IN England the sale of Tobacco Stock-owners has long been a duty, but the enormous duty of 3s. 2d. per lb. placed an insurmountable barrier to its use. The late operation in the Law now permits that Tobacco Leaf may be boiled down to a Juice for Sheep-wash, Hop and Horticultural purposes, WITHOUT PAYING ANY DUTY WHATSOEVER.

The Richmond Cavendish Company (Limited), availing themselves of this concession, have in connection with their extensive Cased Cavendish Works fitted up a special department for the manufacture of Tobacco Juice.

By careful analysis it was found that previous to the law being altered, the strongest Tobacco Liqueur sold in this Country contained but 3 oz. of Tobacco to the lb. of Juice. The Juice is guaranteed to contain 12 Oz. of Tobacco to the Gallon. Sold Wholesale and Retail by THOS. MCKENZIE and Sons, CAMDEN QUAY, CORK, AND DAWSON STREET, DUBLIN, November 2.
