ere pleasure says the "make" of the butter decidedly improved, and the urgent recommendation of Merchants and the Trade, are producing their effect in this important article. We quoted the printed committee of Merchants, seen that these suggestions which controversy was by the quantity of butter in the Market was valued by the present week, inclusive—the value of the article, and sold—in fact, was somewhere about 100 all who are in any position or sale of this importation, that the demand is off in the English

nder of the Forces, reseat of Earl Fitzwilliam, Curragh Camp. The reports state that in that quarter experienced from the yield is rather poor in comparison with what was previously entertained.
