Viscout de Cormenin, President of the Poor Baths Establishment in Paris, has just addressed a report to the Preect of the Seine, from which it appears that, notwithstanding the extraordinary wetness of the season, and the visitation of cholera, 38,036 baths were supplied to the children of the poor in Paris during the past viar.

The Glole states that the Regius Professorship of Greek in the University of Cambridge, which is about to become vacant by the resignation of the Rev. W. Hepwortl Thompson, M.A., the newly elected Master of Trinity College, is in the gift of the Earl of Derby on the part of the Crown. This is a mistake. The Regius Professorships of Divinity, Hebrew, and Greek, at Cambridge, are in the gift of the electors of the Senate, and not of the Crown.

The Gobe says in reference to a paragraph in the papers as to the government having refused leave for the creatian of a bishopric in the north of China, we are enabled to state that Lord Stanley has only desired delay in order to consult the anthorities on the spot, before consenting to a bishopric in a foreign country.
