DEATHS

On the 22nd February, at Whampoa, on board the P. and O. Company's steamer Behar, of which he was chief medical officer, John Dawson, Esq., M.D., son of Michael Dawson, Esq., of this city. The premature death of this young gentleman so far from home and kindred is a source of deep regret to his afflicted relatives and the many friends by whom he was esteemed in his native city; but it is alleviated by the reflection that his many estimable qualities secured for him from his brother officers all the attention that could mitigate a tedious illness and soothe his last moments. His remains were interred at Whampoa, in the English burial-ground, French Island, attended by many of the English residents there.
