d's New York correspondent says it is  
the bill authorising the construction of  
the falls of Niagara will be passed  
and that it will become law.

was killed and two others severely  
by an accidental explosion of a blast at  
Main Colliery, near Barnsley, on Thurs-  
day.

of new approaches to the river at  
at last likely to be settled, the corpora-  
to contribute £20,000 towards the ex-  
plan prepared by Mr. Lyster, engineer  
board.

from New York announces that news  
received there from Mexico to the effect  
an took the field on the 19th ult., with a  
100 men. Moving northwards, he routed  
killing or capturing the whole of the forces

from Trieste states that Garibaldi, in  
reputation which waited on him, declared  
people of the Italian nation were favourable  
of Greece. He added that his son had  
dia to support the insurrection, and that,  
circumstances, he would go there

es correspondent at Washington informs  
the Atlantic Cable that the Senate has  
the President's veto on the bill for the ad-  
Colorado as a State of the Union. Another  
communicates the information that the Con-  
of pass any tariff bill.

fatal duel has been fought at Vienna be-  
tudents, one of them, M. Kargerbauer,  
an Aulic councillor, being shot through the  
opponent, M. Schorsch, a student of  
The survivor and the seconds have been  
and will be brought to trial. Much un-  
comment has been made on the fact that  
cities should immediately interfere in this  
they refrained from doing so after the  
between Prince Solms and Count Wedel,  
before, and the supposed partiality is at-  
tributed to the difference in rank of the parties

The truth is that the authorities who  
are entirely different in the two cases.  
authorities in Austria have no more juris-  
person connected with the army than  
authorities have over civilians. The  
authorities desire to suppress duelling, while the  
authorities do not, and they act accordingly.

violent hurricane has swept over the Gulf  
causing the loss of the iron-clad Couronne  
yeres Islands. Several of her crew pe-

ames, Prefect of Toulon, has made experi-  
h a new torpedo with the most decisive suc-  
cess  
arrangement which has been concluded between  
ussian Government and the Duke of Nassau  
that the latter shall retain four of the Ducal  
including that of Biberich, and some forests  
of the revenues of the former Ducal do-  
mounting to 36,000 florins, is to be re-  
an appanage for the Duke's eldest male

rown Prince of Prussia received a deputation  
of electors from Wolmerstatt, to whom he  
that he did not intend to offer himself as a  
e for the representation of their towns in the  
erman Parliament, in order not to prevent  
erman of Herr Von Torkanbeck, the President  
ussian Chamber of Deputies.

in the first society was recently obliged to  
ner nurse on account of an excess of firemen  
soldiers too often repeated. After choos-  
successor to this criminal a very pretty girl,  
explaining why the first was sent away, en-  
the second not to do likewise. She ad-  
what she shouldn't. "I can endure a great  
aid the lady, "but soldiers about the kitchen  
endure." After a week or eight days the  
ne one morning into the kitchen, opened a  
Ob, ma'am!" cried the girl, frightened, "I  
my word I never saw that soldier before in  
he must have been one of the old ones left  
the other girl."

es have taken to ask for admissions to the  
ive sittings at Paris, and in the galleries  
ow be seen many elegantly-dressed female  
ians.

Mrs. Dion Boucicault,

THE Subscriber calls attention to the very superior  
Stock of the above, being all perfectly unin-  
jured by the late Winter, they may be safely de-  
fended on for hardness. Special attention is devoted  
to the culture of Fruit Trees. They are free from  
disease, and true to their sorts; two points of the  
greatest importance to planters.

Land inspected and advice given as to the sorts of  
timber likely to succeed, at a small charge for time  
and expenses. Carefully prepared Plans for every  
Description of Ground Work, Hot-Houses, or other  
Gardening Structures—drawn to Scale and with  
Specifications and quantities complete at reasonable  
charges.

Catalogues of Nursery Stock Gratis and Post free  
to intending Buyers.

### To be Sold.

A COMFORTABLE detached Dwelling-House,  
situated near the Strand-end of Thomond-  
Bridge, and erected within the last 26 years. It  
would suit either as a private residence or for business,  
or from its position, and being commodious, would  
make an excellent constabulary barrack, which is  
much required in the locality.

It contains ten light and airy apartments, and has  
a well-enclosed yard, in which there is a store or out-  
office, about 70 feet by 16, with a good loft extending  
nearly the entire length. The yard has also sufficient  
frontage to the street to admit of the erection of  
some three or four such snug tenements as let readily  
in the neighbourhood.

There is a lease for 999 years at a very moderate  
rent.

All further particulars can be gained by inquiry on  
the premises.

March 2.

COOPER HILL,  
NEAR LIMERICK.
