THE DIFFICULTY

to get a thoroughly-comic and scrupulously-clean on terms of true family economy. From those who have been in the above, the Subscription position is very central—off and, same time, is retired with Pianoforte, for families or a drawing-room, &c.

Please observe—The Entrance is No. 11. February 28, 1867.

The Times, in an article on the Catholic clergy of Ireland have no their legitimate influence, but getting the whole of the instruction into their hands. "They are of toleration but for supremacy."

The death is announced of Mr years manager of the Union Bank Professor Agassiz says the 70,000 years in being formed.

A brother and two sisters live whose united ages are 285½ years.

A correspondent, writing to says:—"The lineal descendant of the rough, the last Irish King, is no nason at buildings in Torteth is known by the name of D— representative of the celebrated flourished in the time of Elizabeth that monarch a good deal of a policeman in the Liverpool police son of one of the most eminent Parliament, who was not only orator and a beautiful lyric patriot and opposition to a barman in a spirit vault no change."

The Journal de Paris mentions letters from Rome, stating the greatly satisfied with the result some will have it, "the mission" and that the last interview was particularly cordial. After the Antibes Legion and Garibaldi pressed to the Pope the pleasure and the Emperor would have if visit the Exhibition. "I am too replied His Holiness, "to unde Exhibition," and jocosely adding, word exposition, "we are here, posed." In other words, the resigned to all that may happen mind is complete. "This Gar to General Dumont, in a tone of kindness than of sadness and baldi causes us much disquiet." sured him; for, in his opinion, with its morale fortified, is quit head against an aggression on the dians. Since his return from I been received by the Emperor the succes of his journey. It is and his exhortations have produced on the Legion, and that the d so frequent have since then ne
