

were not long in getting up a new school their old teacher and had him put in possession of all the pupils who attended him at the School soon followed to the number of 180. I left the National School empty and the le, which so enraged the parish priest that a matter of appeal to the people at Mass, no effect, and as a last resource had, it is apply to the landlords holding property in to induce their tenants to have their nt from Sullivan's to the National School; such coercion may appear it was carried ome of those owners of the soil in the parish! So much for the influence of with their poor tenants because they roper to judge for themselves the better their children.

NEWCASTLE INTELLIGENCE.

(FROM OUR CORRESPONDENT.)
