House Maid.

WANTED a situation in a housemaid in a man's family. She understands her work perfectly, and has most respectable testimonials. Please address H. G., No. 6, Queen's-street. March 5

A conference at Belfast yesterday with many tenant farmers. It was resolved that a Bill was an honest attempt to settle the question; but the clause relating to the definition of the Ulster custom as to the tinned occupancy of his holding by the owner in all improvements be purchased, or inherited; and his right in his interest by sale or by bequest, and any other property. A deputation will wait on the Premier.
