some merves and receiving bakes place to-day.

The final meeting of the Home Rule Associate tion was held hat evening at the Antient Concert Rooms, under the presidency of Mr Butt. OC. MP. Addresses were delivered by the chairman, Boy J A Galbraith, J O Blunden, and the Rev Thadens O Malley.

John Line was brought up at Bow street yesterday, and was ordered to be taken back to Pentonville Prison, to complete his term of

penal servitude.

Intelligence from Cape Coast Castle, dated November 24th, states that the troops on the coast generally were very healthy. Several of the officers were going down to Acra to recruit their health. Captain Glover continues well.-Sir Garnet Wolseley had recovered from his illness, and the Simoom had started for a run to St Helena and Ascension. There were a number of fever cases on board, but the worst cases were doing favourably. The most serious was that of Lieut the Hon W. A Charteris.

LIMERICK AND KERRY RAILWAY-The directors of this projected line, which will unite Limerick with Trafee, visited London a few days ago and had an interview with several contractors who offered to take up the works. The result was most satisfactory, terms having been agreed on, and Mr. Barrington, C.E. has been ordered to take out the line at ones.

On Sunday night, the body of a man named Me-Namara, who had for teir years been a earetaker at the Queen's Stores, Custom House, Limerick; was found in the river Shaumon, near the docks. He leaves a wife and large family.

In accordance with the recent resolutions of the Archbishops and Bishops of Ireland, at the instance of the most Rev. the Bishop of Kerry, St. Brendan's Blocesan Seminary, Killarney; President, Very Bev. Canon Coffey.

Since the Grand Jury of North (Tipperary came to the conclusion that there were too many constabulary barracks in the county, several stations have been dismantled. In the village of Riverstown the suppression of the atriion caused great dissatisfaction to the respectable inhabitants, as scarcely a week passes without some robbery or petty outrage being committed. The ratepayers intend to take steys towards having the barracks reoccupied.

Ar the police court on Tuesday the Magistrates present were Captain Gavin and Mr W Phayer .--Bessie McCarthy, a habitual drunkard, was charged by Constable McCormack with being drunk on the previous night, She was sent to gaol for two months, in default of bail. Patrick Quin, for being drunk and disorderly, was fined £1 and costs, with the alternative of a month's imprisonment. Two men named Molony and Walsh, charged with the larceny of a kettle, were, on the application of the Constabulary, remanded to the Petty Sessions .-Adjourned.

A CALL swept over the city on Monday night was calcunized, and he and for a time increased so much in violence as tistered by the Rev Patrick to approach the force of a hurricane. However it subsided as rapidly as it commenced, without resembled at the Town House much damage, except some to the roofs of soldoof, where Cantain Cantain houses. It does not appear to have been

as follows :-

Since your last meeting t mitted, one man as a dan male as 'urgent,' by the p gerous to herself and ot discharged—one on the us keeping having been signed trial; two have been remov lum as private patients. I another taken to a private it has been your custom dress to the nurses of the suggest that by the addition proper uniform should be them two dresses in the year to point out to you the great the staff of an institution of from (1) the feeling of disci the assistance it gives in dis ants from the patients, so t be seen whether they are a appearance of neatness and stitutihn.

The patient who escaped ing has given up a key wil door, stating that he had ke tion fiéld, and then brought i shirt. He refuses to state The attendants key, but state that it one who had left the pla fair to remit the expenses of are in so bad a state that lit placed on them, and the on a recurrence of this will be a by the head attendant, who keys and to get new locks for contractor complains that he similar to standard, the shaw of good quality but of dark c others which are not so warr and bright in colour.
