

to whether or not they had ly. We may mention that e by the cliffs from a place ove, close by the Doneraile Map, and that the walk is isitors to Tramore who wish iew of bay and strand, and ul exercise. Sub-Inspector stable Major, and the men in acks were at once told off, to earch in all quarters in order , some tidings or intelligence . They searched the cliffs up scended to the water's edge would permit them. Boats vey the cliff under the Metal averns through which the sea ar place. The whole town of th consternation, sympathy, a sort of duty, to aid in the aph wires were set in motion might not have gone on to- road—and the station was en- if she had gone off by rail. unaccountable, there was no ning of the missing lady ; and omance could realise anything , anything more awful. We rrible is the shock which Mr. ho, with his two tender infant entarily expecting the return her. The dragging by fishing nd particularly of the sea near continued on Monday, but all Mrs. Nelson had fallen at the r from any other cliff on this hat some trace of her would be ng of clothes, the escape of a re is no trace of any kind what- on which the event has created y means ; it is rather increasing l the fact that the brooch which e been lost has been found in the elson's desk or dressing table has ion which this extremely mys- ce has produced. Some year nan named Jacob was blown off rus strand in a storm ; but the paralleled in the annals of Tra- wful disappearance of Mr. and the deep chasm of the Puffing ne has been nothing like it in bathing places ; but alas ! the measurably more mysterious

OF A SEA CAPTAIN.
