

SOLOMONS' SPECTA

Mr. E. SOLOMONS.

Optician.

NINETEEN, NASSAU-STREET, I

Who has been 52 years professionally in DUBLIN.

BEARS to caution the Public against the common, improper, and bad-forged Glasses and Pebbles generally sold so highly detrimental to Vision, that are seriously suffered from them, and trust now unnecessary to dwell at length on losses of his Spectacles (so different from similar substances which he neither can prevent nor dispense of), and on the detraction from his accurate method of Glasses the Defective Sight of many of an importance than is frequently supposed are admirably calculated to preserve the impaired to extreme old age; they have by the most distinguished Members of the Kingdom.

OBSCURE:—Persons can be aided by a Pair of Spectacles, or one of the G letter making the distance from the eye read small print from it, and those who employed Spectacles, by mentioning the describing sight. Communications from and its vicinity, to be directed to Mr. SOLOMONS' Establishment, No. 19, NASSAU STREET (entrance by Hall Door), within one Door of Street, Dublin.

Repairs of all kinds promptly attended.
