

Yes, I acted on my own responsibility the matter to the next meeting who then approved of the appointment. As there has been no objection this mode of acting during the 26 Ave been connected with the board, and it would be much better not to make any change present. In a previous conversation, Mr. Morony withdrew his resolution, moving in its stead the following:—"Resolved—That the committee with regard to the arrangements for Water Baliffs on the Deel and Fergus, and that one extra man be put on for Fergus for the winter months."

The motion, which was seconded, was carried unanimously.

The amount of £180 was passed for the expenses.

The motion of Mr. Hosford seconded by Mr. Morony, in reference to the report of the Water Baliffs' committee, and the necessary arrangements for better watching of the Shannon and its tributaries, was agreed to and

it was informed the meeting that Mr. Putnam, the inspector, who was recently appointed to the Board, was giving every satisfaction in the discharge of his duties.

—That is very pleasant. I think it would be as well to appoint a committee to receive and consider his report.

The motion was agreed to, it being left to the committee to say on what day they would meet.

In the position of Mr. Place, seconded by Mr. Morony, the names of Messrs. Armstrong, Levers, &c., were added to the list of the Bailiffs' Committee.

The business having been disposed of the meeting terminated.
