week were realised for both cattle and sheep. ~~There~~
 no American cattle on offer, but there were ~~some~~
 landed during the week, the great bulk being ~~sent~~
 sale in this market. Beef, 6d to 7d; mutton, 4d to 5d.
 At market, 1,140 cattle, and 4,515 sheep.

Another Report (James Nelson and Son's) - At ~~the~~
 market there was a decrease of 487 cattle and ~~700~~
 consequence of the small number penned ~~and~~
 shade more more money. Trade was very slow, ~~and~~
 buyers putting in an appearance. There was a ~~great~~
 demand for sheep, the result being an advance ~~of~~
 per head. Quotations: - Beef 6d to 7d per lb; ~~and~~
 8d to 9d per lb. Number at market - 1,140 cattle ~~and~~
 sheep.
