FATAL ACCIDENT—INQ'EST.

An inquest was held by Mr Coroner DeCourcy  
 at the New Barracks on yesterday, touching the  
 death of an artilleryman, named Robert Browne,  
 who received a kick in the abdomen from a horse  
 which he was grooming on the 7th inst., at the  
 Ordnance Barracks.

The following jury were sworn:—Patrick  
 McInerney (foreman), Wm Naughton, Michael  
 Magrath, Andrew Downes, John Greagh, Henry  
 Nolan, Michael Enright, John Maffin, Patrick  
 Reilly, John Moloney, Thomas Cleary, and John  
 Neilan.

Sergeant S Cryer, examined by Constable  
 Kavanagh, deposed—I am sergeant of the sub-  
 division to which the deceased belonged to, and  
 which is at present stationed at the Ordnance  
 Barrack, Limerick; saw the body which now lies  
 in the dead house; deceased was employed in  
 grooming my horse on Monday, the 7th inst.; it  
 was his duty to do that; at 11.20 in the morning  
 he received an injury; I was called to the stable  
 and saw the deceased, Robert Brown, lying on the  
 horses litter; asked him what was the matter with  
 him; he replied he received a kick from the horse;  
 saw him a half an hour before the occurrence took  
 place in his usual health; he is about six years in  
 the regiment, and as far as I believe about 27  
 years of age; he is a native of Kerry and un-  
 married; with regard to the grooming of my  
 horse, a kick from which killed the deceased, it is  
 very unsafe.

Dr Hemphill deposed—I remember last Mon-  
 day, the 7th; the deceased was brought into this  
 hospital in the afternoon; at the time he was  
 brought in I did not see him, but saw him after-  
 wards between six and seven; he was then  
 suffering from a great pain in the abdomen and  
 vomiting, which might have resulted from a  
 blow or kick from a horse, as was alleged.

Constable Kavanagh—Did he tell you what was  
 the matter with him?

Witness—I don't remember; he died yesterday  
 morning about five o'clock; the injuries which he  
 received on the 7th inst. were sufficient to account  
 for death.

A Juror—Was he from eleven o'clock in the  
 morning until seven o'clock in the evening with-  
 out a doctor?

Constable Kavanagh—He has nothing to say  
 to that.

Private Cranmer deposed—I am driver in the  
 same sub-division as the deceased; saw the body;  
 remember last Monday, the 7th; about 11.20 his  
 non-commissioned officer handed over the horse to  
 him; he took him in to take the harness off him;  
 as he was taken off the hind part of the harness  
 the horse made a kick at him striking him on the  
 stomach and knocking him against the wall;  
 deceased staggered towards the horse and fell  
 saying "Oh, my God, I am kicked, take me out  
 of this;" I then helped him out on the litter; I  
 reported the matter to Sergeant Cryer; soon after  
 he was placed on a stretcher, and brought to the  
 hospital at the New Barracks; he appeared to be  
 in his usual health and spirits; the horse is  
 a naturally vicious one.

A Juror—When did the doctor come to him?  
 Witness—I could not tell.

A Juror—Is there any doctor attached to the  
 Ordnance Barrack?

Constable Kavanagh replied in the negative.

Sergeant R. Wilkinson deposed he was Sergeant  
 in charge of the hospital at the New Barracks;  
 remember Monday, the 7th inst., when the de-  
 ceased was brought here between 12 and 1 o'clock;  
 sent for Dr R. Gelston, and he arrived about two;  
 he attended the patient and examined him, and  
 prescribed for him; deceased complained of pains  
 in his stomach which had been caused by the  
 kick; the doctors gave him up when they saw  
 him; he died at 5 o'clock a.m. on the 10th; he  
 was conscious from the time he came in until he  
 died.

A Juror—I hope you will mark on the paper  
 that the military doctor was not in attendance  
 until a late hour in the evening.

Constable Kavanagh—Is the military doctor  
 supposed to reside in the Larracks?

Witness—He is not, but he is required to live  
 at a reasonable distance.

Mr Naughton (a juror) was not at all satisfied  
 with the attendance of the doctors.

Sergeant R. Wilkinson said that instructions  
 were left to him in case of emergency, similar to  
 what occurred, to send for Dr Gelston.

The jury returned a verdict "That the deceased,  
 Robert Brown, died at the New Barracks, on the  
 10th inst., and that his death was caused by in-  
 juries received by his being kicked by a horse on  
 the 7th inst., and that same was accidental."
