DR. HENRY SMITH (by Diploma of the Royal University of Jena), who has devoted Thirty Years to the Special treatment of diseases of the nervous system, resulting in exhaustion of nerve power, local weakness, and general debility, will greatly benefit Country Invalids, on receipt of a statement of case, send his opinion with advice and instructions, which, if followed, will insure a cure. A "confidential" form of correspondence will assist invalids in describing their case so as to secure a personal interview and expensive consultation-fee avoided.

DR. HENRY SMITH, 8, Burton Crescent, London, W.C.

Nineteenth Thousand.
