

attempt at anything "dual." They saw in speech they must have—that signs and her. On this system came that the sign system was used abolished. Here was from young to old, in examined in the usual answering questions all the audience, in graphy, history, and from the lips was the with the system. It in every examination bed and pre-arranged amount of preparation and the best test of something foreign and ne. The pupils were an English lady and ed in many countries bod of instruction for he story was eagerly listening eyes as it was an, of course. That proved by the intelli gain by such of them to be heard. Another ng incident arose from ution of their teachers resent. The meeting affecting. One young by speech, while his ming to the institution en taught on the sign heir well-being and his happy and doing very at and dumb sister, he but she could not go a few words—nouns, one," he added, "can can understand her," poor fellow burst into also. Indeed, for some able to proceed.
