### ION" BARMAID CASE.

on the body of the ill-fated whose melancholy suicide at near Hyde Park, a few weeks considerable comment, was resumed at Ponsonby, B.M. (retired) led her to leave her situation allowing her £25 a month as a witness. Upon being Ponsonby stated that he had shortly before leaving England his return from Algiers in the acquaintance. She at a restaurant on the 25th of that month have met her, but sent a letter not to give up her situation. Later, she came to his hotel, and made up her situation, and had advanced her some, and advised her previously taken, and that she had been led for. They did not get on well, he talked of some one else. He was paid pounds by a friend, with a view to his death, and came to town in 1881, not suffering from disease. He further said he was to pay her £100 after a few weeks cheaper. He stayed from Friday to Saturday. There was no arrangement of living together for twelve months, paying her £25 per month.

Malloy Monthly Cattle Market is held on the first Tuesday of each month.
