

did not contain genuine butter, and the entire lot were impounded pending an analysis. This analysis has now been carried out in the case of one firkin at least, and the analyst (Mr Harrington) has given it as his opinion that the sample run-ri-ched him contained 70 per cent of "butterine." We understand a prosecution will follow under the Adulteration of Food Act.

*Announcements of Births, Marriages, and Deaths not exceeding 5 lines (which must in all cases be duly authenticated), are charged 2s. 6d. each. For every additional line, 6d.*
