*Includes 131 miles of joint lines worked by Waterford and Limerick Railway Company.

THE REPRESENTATION OF KILKENNY.—It is anticipated that Mr W. F. B. Tighe, who is at present in Egypt serving with his regiment, the Coldstream Guards, will be a candidate for the representation of the Southern Division of Kilkenny at the next general election, and it is also hoped that a gentleman of position and influence will contest the Northern Division of the county as well. The general election will probably be held in November next, and we strongly urge the party of law and order in Kilkenny to unite with the object of securing the return of men for this county at the next election who will defend those principles which are dear to Conservatives and Liberals. As we have more than once before stated, if we do not succeed the satisfaction of having done our duty will be some compensation even for failure. But let it not be said to our reproach that the spirit of the gentry of Kilkenny is broken.—*Kilkenny Moderator.*
