To-day Mr F. W. McCarthy, Auctioneer, held
a sale of dairy cows at the Agricultural Hall for
a gentleman breaking up a dairy. The highest
price was £16. Some Kerries fetched £9,
though not being of the best description.

Only three members attended the weekly
meeting of the Ennis Board of Guardians yester-
day, Mr Edward Bennett, in the chair. A letter
from the Local Government Board was read con-
firming the appointment of Mr Stephen O'Lough-
len as Master of the Workhouse, in which the
number of paupers is 468; average weekly cost,
2s 10½d per head; balance at bank against the
union, £537.—*Cor.*

The Bishop of Killaloe held an ordination in St.
Brendon's Church, Parsonstown, on Trinity Sun-
day, May 31, when the Rev J. Stratford Collins,
curate of Parsonstown, was ordained Priest. The
sermon was preached by the Bishop. The candi-
date was presented by the Rev. Canon Jones,
rector of Roscrea, one of the bishop's examining
chaplains. The other clergy officiating were the
Rector, Rev Dr Berry, and Rev Dr Ewing.

In our obituary notices this evening we observe
the death recorded of Counsellor John Thomas
Devitt, which took place this evening at his re-
sidence No 2 Swanson Terrace. This respected
gentleman, who has been for a considerable
number of years a magistrate of this county, was
highly esteemed by all who knew him for his
many social and intellectual qualities, and
though he had reached the ripe age of seventy-
seven years his departure will be felt and re-
gretted. The deceased was married to a niece
of the celebrated Mr Daniel O'Connell, M.P., of
Derrynane, County Kerry.

We are pleased to learn that exertions are
being made by those connected with the
Athenæum to augment the funds already in their
hands for the purpose of paying off the debt due
to Mr Spillane. It is purposed to give a series of
those agreeable entertainments, which were so
popular a few years since, in which some of our
most appreciated amateurs will take part. The
opening re-union will take place to-morrow even-
ing, and, as the programme is a most attractive
one, a full house is expected. We understand
that owing to the removal of the organ from the
Athenæum the meetings of the Limerick Musical
Society have been adjourned until next session.

According to the returns of the Registrar-
General, for the week ending 30th ultimo,
21 births have been recorded for this city
and district, against a total of 12 deaths.
The average annual death rate represented
by the deaths registered last week in the sixteen
principal Town Districts of Ireland was 27.4
per 1,000 of the population. The deaths
registered in each of the past four weeks in
the several towns, alphabetically arranged,
corresponded to the following annual rates
per 1,000:—Armagh, 5.2; Belfast, 39.0;
Cork, 27.3; Drogheda, 33.8; Dublin, 24.7; Dun-
dalk, 26.2; Galway, 20.2; Kilkenny, 16.9; Limerick,
16.2; Lisburn, 14.5; Londonderry, 14.3; Lurgan,
25.7; Newry, 35.1; Sligo, 14.4; Waterford, 25.5;
