...MURDERESS ON THE DOCK ROAD, last evening.
The accused had been creating a disturbance and
attempted to force himself into the dock pre-
mises sometime previous to the arrest. A fine of
five shillings and costs or seven days' imprison-
ment was imposed. There were no other cases
before the court.

We have been requested by Constable Paterson
to contradict a story with reference to his having
been attacked by an otter while fishing a few
nights since in Castleconnell. The incident was
supplied to us by our local correspondent there,
and though the circumstances were rather un-
usual we yet placed sufficient reliance in the
writer's veracity to give insertion to the state-
ment which may have made Constable Paterson
appear somewhat ridiculous in the eyes of our
readers.

We are deeply concerned to hear of the death
of Mrs Smith, Chatterton, relict of the late Mr
W. Peters Smith, of Belmont, Raheny, Co.
Dublin, and daughter of the late Rev Richard
Dickson, of Vermont, Co. Limerick, which sad
event took place in London yesterday. A gifted
authoress, endowed with talents of a superior
order, which she applied to the advancement of
every social and Christian virtue, her loss will
be a source of deep affliction to an extensive
circle of sorrowing friends and relations.

A fire broke out in a stable in Meehan's Bow
off William Street, belonging to Mr D. Tucker,
yesterday, about midnight. The Corporation
fire engine, under Mr J. Forrest, having a good
supply of water, succeeded in confining the fire
to the premises in which it originated. The
Mayor (Mr. O'Mara) was on the spot, and re-
mained until all danger was over. A party of
Constabulary under Head-constable Wall
was in attendance, and rendered valuable ser-
vice. The little damage that was done, we un-
derstand, is covered by insurance.

This morning a large farm held by a man
named Patrick Doody from Mr Thomas R. D.
Atkinson, near Ballingarry, was put up by auc-
tion at the County Courthouse for non-payment
of rent, the sum of £375, two years' rent being
due. The farm was held under lease which ex-
pired on the 25th March of the present year. Mr
White, the agent, bid £280 for the interest in
the farm on behalf of the landlord, but the
tenant exceeded this by £10 and was declared
the purchaser. When asked by the sheriff (Mr
Hobson) to sign the conditions of sale, he refused
unless the sheriff surrendered to him the title;
this he however declined to do, and the farm was
put up again to competition, when it was pur-
