According to the return of the Registrar-General for the week ending the 8th inst., 29 births have been recorded for this city and district against a total of 75 deaths. The average annual death-rate represented by the deaths registered last week in the sixteen principal Town Districts of Ireland was 25·7 per 1,000 of the population. The deaths registered in each of the past four weeks in the several towns, alphabetically arranged, corresponded to the following annual rates per 1,000:—Armagh, 15·5; Belfast, 25·9; Cork, 26·6; Drogheda, 21·1; Dublin, 27·2; Dundalk, 26·2; Galway, 20·2; Kilkenny, 29·6; Limerick, 20·2; Lisburn, 14·5; Londonderry, 33·9; Lurgan, 25·7; Newry, 3·5; Sligo, 4·8; Waterford, 37·0; Wexford, 17·1.

We regret exceedingly to learn of the unexpected death, which took place at Fitzwilliam Square, Dublin, yesterday morning, of Mrs Barry, wife of Lord Justice Barry, whose deep bereavement will be sincerely regretted, by his lordship's many friends in this, his native city. The deceased lady, who was the daughter of the late Mr David Fitzgerald, solicitor, Dublin, and sister of Lord Fitzgerald, was married in 1855 to the then rapidly-rising barrister, who has since so commendably fought his way to the highest ranks of his profession. Mrs Barry, who was most deservedly esteemed in the circle in which she moved in the Irish metropolis, has been for some time in a very delicate state of health, but no one anticipated that her demise was so imminent. The remains of the deceased lady will reach this city by the 1 o'clock train to-morrow, for interment in the family vault.

At the County Petty Sessions, to-day, before Mr Irwin, B.M, in the chair; Captain Verschoyle, Mr Brown, and Mr Gubbins, Philip Thompson was put forward in custody of Constable Wilson, charged with stealing a bullock at the last Munster Fair, the property of Colonel O'Callaghan, D.L, Mary Port, County Clare. The case had been before the court on last Thursday, but was adjourned for the attendance of Colonel O'Callaghan, who had been at Woolwich on military duty. He now stated that on the 30th April he sold at the Munster Fair three bullocks to Mr O'Connell, Thomas street, two for £25 each, and one, a thin rheumatic animal, for £2. About three hours afterwards the accused came up and said he was deputed by Mr O'Connell to go for the animal on payment of the £2. He took away the bullock. Subsequently Mr O'Connell was paying witness for the cattle and he told him to deduct £2 which his man had paid him for the thin bullock and then he discovered the unpleasantness which occurred. Mr O'Connell said that he never authorised anyone to take away the bullock. The depositions already taken were read over, and Mr Counihan solr., who defended the accused, said he would make no statement, and the case was returned for trial. Bail was fixed, accused in £40 and two sureties of £20 each.
