RAILWAY TRAVELLING.—The Board of Trade to railway the making up of mixed minimise the risk of injury to s by the detailment of goods avourably responded to by se-railway companies. Some of , point out that the placing of arriages in the forepart of a ed by Mr Courtenay Boyle's rease the danger of telescoping heavy weight of the goods gainst the carriages in front; et by the Board of Trade, and eral disposition to adopt the ed in the circular.

MS WITHOUT EXAMINATION.— Agnew, of the 2nd Battalion rs, may consider himself not fortunate in obtaining his com- lar service, but his case is, we is officer while holding a com- and Wigtown Militia was he personal staff of the Gover- tra aide-de-camp. During the last year Mr Agnew volun- ined permission to go to that did excellent service. As a etted to a lieutenantancy in the rs, and this, we are informed, amination, and notwithstand- siderably over the regulation ion of candidates from the s officer deserved the honour and it shows that if the Go- ally give Militia officers an ing their country in front of services of many an excellent nted at present from proving ld it not be feasible in the alion being ordered on active full complement of officers, to from the affiliated Militia would then be some real use stem.
