

League passes a resolution, as did the Listowel branch, deciding that neither landlords, agents, nor Protestants should be identified with the approaching steeplechases, the resolution is indignantly repudiated by the shopkeepers on the grounds that they want the money. A Listowel correspondent writes:—A meeting of the members of the Race Committee was held last night in the Town Commissioners' Room. Mr F Creagh, solr, presided, and the others present were—Messrs P D Griffin, hon secretary; John M'Donnell, J Collins, James Enright, T C; P P Hennessy, D Larkin, T C; P Hennessy, W Larkin, T C; J P Enright, and P J Houlihan. The chairman handed in a subscription of £3, and each member of the committee gave £1. It was decided to canvass the town, and it was hoped that the appeal would be generously responded to, in order to make these old and favourite sports a success. As the pecuniary interests of the struggling shopkeepers were too deeply concerned in the getting up of the races the committee decided not to take any notice whatsoever of a resolution which was passed at a meeting of the local branch of the National League in reference to the composition of the Race Committee. It is anticipated that the races will be a great success.—*Cork Constitution.*
