THE LOSS OF THE KAPUNDA—Very little additional information to throw any light on the cause of this awful catastrophe has been received. TEA PARTY AT RATHKEALE—On Tuesday evening last a very enjoyable evening was spent in the schoolroom, Rathkeale, the occasion being a tea party given to the Sunday School children of that parish. Mrs Maunsell, Ballywilliam, with her usual kindness, supplied the good things—tea, cakes, apples, &c. There were over 50 children present, and their wants were amply attended to by the Misses Wills. Rev Canon Wills made a few remarks appropriate to the occasion. Mrs Bernard, Manager of the National Bank, gave a very pleasing address, impressing upon the children the value and importance of religious education. Hearty cheers were given for the kind hostess, and the proceedings closed with a hymn and the Benediction.—Cor.
