meeting of the shareholders to be held on the 21st Feb, will recommend the payment of 10 per cent on the savings for the past year. This substantial rate in the present time of depression speaks well for the efficient management and success of the concern, and the shareholders are to be congratulated on the very satisfactory result of the year's working. The report will be issued immediately.

REMOVAL OF MR H. E. CONSIDINE, R.M.—Mr Considine, R.M, Tralee, who has been in charge of this district for some years past, has received an official notification transferring him to Kilkenny, from the 15th of this month. We understand, however, that he will not resign his duties for close on a month after that date. Mr Considine will be succeeded in Tralee by Mr Cecil Roche, R.M, at present doing duty in Castlereagh. Mr Roche has had several years experience at the Bar, and also served as a Sub Land Commissioner—*Kerry Evening Post.*

MYSTERIOUS DEATH NEAR TIPPERARY.—At half-past 10 o'clock on Tuesday night a man named Patrick Donohue, a shoemaker by trade, from Kiltely, County Limerick, was found lying in the dyke on the Bohercrow road, within a mile of Tipperary, dead. There were slight scratches on the face and neck. No other marks of violence could be seen. Donohue, who was some time in America, was about 45 years of age, and attended Tipperary fair on Tuesday. The police were at once communicated with, and proceeded to Bohercrow. They had the body removed to the workhouse mortuary.

AN EXCITING EVICTION IN KERRY.—At an eviction yesterday, at a place called Lishane, about six miles distant from Listowel, a determined resistance was made by the tenant and some friends. When the bailiffs, protected by forty policemen, arrived at the tenant's house he, with some five or six people, were in possession, and having barricaded the doors firmly, and retired to an apartment on the left, they then cut away the staircase. From this apartment, through the window, the tenant, Trant, told the sheriff that unless the agent yielded to his demand he would offer all the opposition he could to the eviction. A great crowd assembled, and as Mr Trant would not surrender the bailiffs and police had to effect an entrance by force. After a considerable time they succeeded in breaking down the barricades and effecting the eviction.

ST MICHAEL'S CONCERT.—The sixth, and we believe the last, concert of the session in connection with St Michael's Schoolhouse took place on Tuesday evening. The audience, as usual, was a large and appreciative one, and the programme most interesting and agreeably arranged. The instrumental selections performed by the
