transact.

DROMCOLLOGHER FAIR.—"A right smart fair
everything—especially in calf-heifers" was the
opinion of an old farmer. Farmers from the
rich eastern pastures came here again and again
so renew their stock, to their very great advan-
tages as repeated visits show. The prices were:—
Calves from £3 to £4 10s; year-and-a-half old
heifers, £7 to £8; in-calf heifers, £13 to £15;
stripers, £7 to £10; sheep, £1 to £2 5s; bon-
hams, 14s to £1 6s.—*Cor.*

SAD FATAL ACCIDENT NEAR RATHKEALE.—On
Sunday evening two men named Michael Doolan
and Patriek Gibbons, of Loughill, near Knocka-
derry, were boating on the Deal when some
unaccountable accident happened to the craft
and they were both thrown into the water. The
men caught each other, and made every effort to
reach the shore, but without success. Doolan
leaves a wife and three children to lament his
loss. The river was dragged yesterday and the
bodies of both men were found clasped in
each other's arms close to where the accident
took place.—*Con.*

NEWPORT PETTY SESSIONS.—At these Sessions,
before Major Waring, R M; George M Finch,
R W Young, C E Ryan, and G W Bassett, Wm
O'Brien, of Castlewaller, appeared on two sum-
mons at the suit of District Inspector Moore for
having a still and worm in his possession, and
also for having in his possession a quantity of
illicit spirits. Defendant in the first case
was fined £6, and in the second £12.
On the application of Mr Hastings, solicitor, of
Limerick, who appeared for O'Brien, their Wor-
ships consented to sign a memorial for mitigation
of the fine. Michael O'Donnell, of Cully, was
fined 10s and costs for assaulting Cornelius
Scully. There were a few cases at the suit of
the police for trespass on the public roads. The
court adjourned early.

THE GLENBEIGH EVICTIONS.—It was stated
yesterday that the local "National" League,
intended making arrangements for the hold-
ing of a public demonstration in the
city to protest against the Glen-
beigh evictions. The meeting it was understood,
would be held in the Theatre and the Mayor would
preside on the occasion. This evening, it was,
however, resolved to abandon the meeting owing
to the prosecutions at Kilorglin having
fallen through. At the weekly meeting of the
Sarsfield branch of the National League on Sun-
day evening, the president, Mr John O'Donnell,
in the chair, a resolution was adopted by the
