In our advertising columns this evening will be found a detailed list of the successes of the Christian Schools, Limerick, at the recent Intermediate Examinations. The results speak for themselves, and bear ample testimony to the ability of the teachers at the Institution, and the great care and attention they bestow on the education of the young under their care. We think it would be difficult to point to greater successes on the part of any other educational establishment in the country, and this fact alone is one of which the Brothers and the citizens in general may well feel proud. We heartily congratulate the Christian Brothers on the splendid results of their work for the present year.

The Lords Justices have, by notice in Tuesday night's *Dublin Gazette*, revoked every licence to carry or have any arms or ammunition granted under the Peace Preservation Act to Patrick Slattery, of Ballybeige, in the parish of Kilmoon, and barony of Lurren, in the county of Clare.

X A meeting of the Town Council was summoned for to-day for the transaction of ordinary business. But five members, however, attended, and no business was done. The small attendance was, no doubt, in consequence of the funeral of Mr Egan, which took place at one o'clock.
