agricultural returns of Ireland, just pub-

are human beings. The number of sheep has
considerably increased, whilst pigs have gone
up from 59,050 last year to 66,107. The goats
are at a stand still, but as far as the poultry
returns are concerned there is an increase of
fully twenty thousand in these feathered bipeds.
Altogether the sources of wealth in the County
of Limerick show a satisfactory increase.

Dr Myles will be absent from 13, Crescent,
until the 19th.

Doctor Gelston has left 68, George-street, for
Moore's Hotel, Kilkee, for a few days.

The Magistrates presiding at the County

DEATH OF MR JOSEPH FOGERTY.—With deep
regret we announce the death of Mr Joseph
Fogerty, proprietor of the Theatre Royal, which
sad event occurred last night at his residence.
Deceased, who was 83 years of age at the time of
the melancholy occurrence, was most charitable.
He was also conspicuous by his kindness in giving
the Theatre for charitable and other objects; and
the loss of a good kind old citizen will, we are
sure, be deeply felt by his many friends.

THE DOCK LABOURERS' STRIKE.—The strike
at the Docks amongst the Labourers has not
yet terminated. The latest phase connected
with it is that at the commencement of the

Waterford to take the place of the dock labourers
out on strike in discharging and loading the
steamers trading between this port, Liverpool
and Glasgow. They were met at the railway
station by a force of police, and escorted to their
lodgings. Police are employed night and day
