THE LOCAL GOVERNMENT BILL

Lord Randolph Churchill has given the following new clauses to the Local Government Bill:—“(1 A) Every person who, member, officer, or servant of any corporation, council, board, commission, or other public body whose expenses are wholly or in part defrayed out of local taxes, rates, or assessments, shall not, himself or by or in conjunction with any other person, corruptly promise, solicit, pay, receive, or agree to pay or receive, by or for himself or for any other person, any gift, loan, reward, advantage, or gratification whatever in respect of any contract, work, purchase or sale of land or property, or any other matter or transaction, or proposed transaction, whatsoever in which the public body of which he is a member, officer, or servant is concerned, shall be guilty of a misdemeanour.

“(2) Any member, officer, or servant of any corporation, board or other public body as aforesaid who is convicted by a court of law of an offence under the Act, be liable, at the discretion of the court convicting him, to be imprisoned for a period not exceeding two years, with or without hard labour, or to any fine not exceeding £100, and shall be incapable of being elected to any office, or board or other public body for seven years from the date of his conviction; and in the event of a second conviction for a like offence he shall, in addition to the foregoing penalties, be for ever incapable of serving upon any such board or other public body, and his name shall be stricken from the list of persons entitled to vote at any municipal or any other election; and any person who is an officer or servant in the employ of any such corporation or public body by the fact of such conviction shall forfeit his right and claim to any compensation or pension to which he would otherwise become entitled.”

On yesterday afternoon the London Sea Supply Bill was passed by the Unopposed Committee of the House of Commons. The Bill, which has now received the sanction of both Houses, an extension of time is granted until the 18th of July, 1890, for completing the works authorized in bringing a sea water supply to London from the parishes of Lancing, Bramber, and Steyning in the county of Sussex. The reservoir at the metropolis will be near Clapham Junction, in the parish of St Peter and Paul, Ham
