ENNIS UNION.—Only five members attended the weekly meeting of the Ennis Board of Guardians yesterday, Mr James Coffey, V C, presiding, and owing to the quarterly fair of Clonroad being held adjacent to town, no business of importance engaged attention. In the house, 527 inmates, at a weekly average cost of 2s 6d per head.

THE VALUE OF LAND IN TIPPERARY.—Last week Mr P Merrick sold by auction at the Limerick Junction the former tenant's interest in a small holding of five acres, Irish measure, held on the estate of Mr O'Connor, of Dublin, at a rent of £12 a year. The tenant was evicted two years ago, owing six years' rent to the landlord. He was now allowed to sell his interest in the place, which was purchased by a shopkeeper for £152 10s, all of which was paid over to the tenant, the landlord having forgiven the arrears due.

MR F W M'CARTHY'S SALES.—On Saturday next Mr F W M'Carthy, auctioneer, will sell by auction at his salesrooms, that most important business concern, No 28 William street, for Mr John Hayes, held under lease for 180 years at the moderate rent of £60. The ninth annual bull sale will be held on Saturday, 26th May, at the Agricultural Hall, Military Road, for which a large entry has been received. DEATH OF A POLICE CONSTABLE.—We regret to announce the death of Constable Wallace, Colooney street station, which took place on Tuesday from congestion of the lungs. Deceased was an active and popular officer, and his premature and unexpected demise is much regretted by the residents of his district. The interment took place to-day at Clarina, the *cortege* including ninety sergeants and men from the city and suburbs under command of District Inspector Jennings. Constable Wallace had fifteen years service, was married, and leaves a wife and two children to mourn his loss.

CLONROAD (ENNIS) FAIR.—This quarterly fair, held yesterday, was remarkably good in every respect and satisfactory to sellers, there being brisk and eager demand for all descriptions of cattle, especially for young stock. Buyers were numerous from all parts. Well-finished three year old heifers and bullocks went up to £15 and £15 10s, in lots; some thoroughly fat beasts fetched £20; two year olds, £11 to £12; yearlings £6 to £8; springers, £15 to £16; hogget sheep,
