 recommended to the incoming com-
 munity of encouraging the splendid
 racing, and called attention to the
 successful handicaps decided over the
 course at Ardnacrusha. The annual
 meeting was unanimously adopted, together with a
 very statement of accounts from the
 Mr W. L. Stokes, showing a very
 balance to the credit of the club.

 and an O'Connell proposed a vote of
 thanks to the president for his kindness in coming
 to the annual general meeting, and for
 his interest in the club since its found-

CORA CYCLING CLUB.
 The annual general meeting of the
 Club was held at the Club headquarters, Wil-
 son's Sunday, the captain (J. Butler) in
 the minutes of the last general
 meeting had been read and signed, the annual
 report submitted, and by it we see that this
 Club has just passed through a
 successful season. Special reference is
 made to the plucky young cyclist, P. J. Kenna,
 a very material way to place the
 Club in the front rank of provincial
 cycling. The statement of accounts being at the
 order of the day, both were passed
 unanimously. The officers for the season
 were appointed as follows—Captain, C.
 Butler; vice-captain, J. Quin; hon. treasurer,
 W. L. Stokes; hon. secretary, J. Enright.
 A resolution was passed to J. Butler
 resigning from the post of captain, which
 was seconded unanimously, and after
 a number of years, during which he
 has spent his time and trouble to make the
 Club successful, his labours being on all occasions
 successful.
