## THE LIMERICK CHRONICLE

nt with the anner not consistent with that independence and liberty without which it is impossible to institute the process of the surpossible to such a course in the present instance is lly explained by the Mayor's letter, in which states the reasons which induced him to to for the candidate whom he proposed. He lls us that the capacitate's father filled the ection was acting pro tem. The Mayor from childhood, had many transactions with him, and found him always straightforward and honourable. Yet we are told that because him without situation, and who for some time pas been actually discharging the duties of it Brennan anoma be outset from the position the falled and the duties of which he so faithfully discharged for so many years previous to his father's death." This statement puts the phole cause of dissatisfaction in it The Mayor and others had the andacity hold an opinion of their own, and theref

DEATH OF MS M. O'FLARENTY—The Chairman of the Croom Board of Guaddians, Mr M. O'Flahorty, died on Thursday, afto a short illness, at his residence, Domoman Castle, Ckoom. Mr O'Flahorty, who was o'er 80 years of ange, was prominently identified in politics forts consider-able number of years, and was Chairman of the County Limerick Farmers Club, now long extinct.

County Limerick Farmers with, now long extinct.

Flower Saler This Day—The auction was started by Mr. Berns! in accordance with announcement at 12.30. The material was large in quantity, very forward, and bettor in variety and condition. There was an exceptionally good intendance, and a prompt clearance, sales evidently forced, and prices under average. It was a cheap sale. Next Saturday, the Site May, is to be the last suction sale this season—See advertisement.

and feriday. Visitation by the 20th. 20th, and Diocessa Synod on the 28th.

The Shannon, Castlesconnell.—The following is the return of fish taken on the Castle-connell waters this week.—Mr H. Hodges, on Doonass fishery, 14th, one salmon, 114bs; 15th, one, 13bs; 16th, three 52, 10, 12bs; 20th, one, 174bs, Mr G. F. McCorquadale, 14th, three salmon, 15, 16, 11lb. Mr J. H. Whestley, Summerbill: and Deflurgho fishery, 15th, one salmon, 184bs, Mr T. I. Ingham, on same fishery, 17th, one salmon, 16th; 20th, one, 18bs; 22nd, one, 18bs. Mayor Granville, two salmon, 16, 74bs. Mr Farmer Hell, on Prospect fishery, three salmon, 13, 10; 18bs. Mr G. Massy, one same fishery, four salmon, 18, 14, 12, 94bs. Dr Kelly, on Erinagh Sahery, one salmon, 18bs. Captain Vansitaert, on same fishery, four salmon, 18, 14, 12, 94bs. Dr Kelly, on Erinagh Sahery, one salmon, 15bs. Captain Vansitaert, on same fishery, four salmon, 11, 16, 71, 18bs. Trout fashing was very good. The largest brout taken here this sesson on trout-dy weighed 34bs, and was captured by Master Michael Enright.—Cos

with regard to the members of their party who voted with the majority on Wednesday last when the vacancy for a ratedollector was filled by the election of Mr Brennan. Mr John McInerney presided, and the others present included nearly all their guardians who voted in the minority for the defeated candidate, Mr Brennan's, was also present.

The Chairman explained at the Mayor of Limerick, film whom he observed at some length to the action of the Mayor of Limerick, film whom he observed the section. Mr Brennan's, was also the lection. The Mayor of Limerick, film whom he observed the section of the Mayor of Limerick, film whom he observed the section of the Mayor of Limerick, film whom the observed the section of the Mayor of Limerick, film whom the observed the film to the section of Chairman were able to carry their point. He then my seen the resolutions by which the National party their point. He then red the resolutions by which the National party pledged themselves to yield to the majority in whatever selection they thought proper to make in the National interest, and alluded to the fact that this had been done at the Corporation and as the Board of Guardians.

Mr Moloney—Oh: the thought the thought the room.

Mr Reax suggested that these gentlemen should bis allowed an opportunity for explaining their action, but the Chairman could not see his way to recommend such a suggestion to the

sand he would make a statement or answer any question the gentlemen would wishlo ask (hear, hear).

Mcdriffin at longth set footh the advantages which would accrue-to cattle breeders in the South of Ireland from the operation of the South of Ireland from the operation of the scheme promoted by Mr Tallerman; the general soope of which will be gleaned from a perusal of this prospectus issued by the company. Ireland sends more meat than any tither country into Englands and as computed at present through the deterioration of animals in course of transit and from other comes, there was aloss of #2 7s 1d per head, to which liften yelded the unique of transit in Dublin would he head of the langifying of the animals in Dublin would therefore save that amount is and more to walke the transit of the state of t

lastkin and (c). The vitiness stated that had lived in Limerick, and carried on the business off an ancitioneer. He knew the bankrupt, Mrs O'Connor, and he knew her inaband well. The husband died in January, 1889. She continued the business after his death. Her husband was a brother-in-law for vitiness. The place was sold on the 24th of Rebruary, and she left Limerick within a fortnight or three weeks afterwards. It was sold to a Mr. Foran, who gave 2810 for if. The bonditions of the sale were prepared by Mr Connelly, solv., Limerick. The purchase money was paid to witness, and he paid it over to Mrs O'Connor, unt had not an idea what Mrs O'Connor. When the sale were prepared by Mr Connelly, solv., Limerick. The purchase morey was paid to witness, and he paid it over to Mrs O'Connor, unt had not an idea what Mrs O'Connor. Mrs to paid to the sale were prepared by Mr Connelly, solv., Limerick. The purchase money on the day of the sale (277 189) from Mr Ryan, solicitor for Mr Foran, which I lodged to my own credit in the National Bank, and on the 3rd of March I got 2244, the balance, which I lade lodged to my, lown credit.

And I suppose you gave her a cheque, but she refused to take it. She said to give her the money, so I went to the bank and wrote out a cheque payable to myself, and handed her the 2300! That is the cheque (produced).

Did you know that she had sold her stock to Mr Lavettine of the Limerick Warehouse? Certainly, Did you know that before you gave her the
