**HOLLOWAY'S OINTMENT.**—Sores, Wounds, Ulcerations, and other diseases affecting the skin, are capable of speedy amendment by this cooling and healing Ointment, which has called forth the loudest praise from persons who had suffered for years from bad legs, bad breasts, piles, abscesses, and chronic ulcers, after every hope of cure had long passed away. None but those who have experienced the soothing effect of this Ointment can form an idea of the comfort it bestows by restraining inflammation and allaying pain. Whenever Holloway's Ointment has been once used it has established its own worth, and has again been eagerly sought for as the easiest and safest remedy for all such complaints. In neuralgia, rheumatism, and gout, the same application, properly used, gives wonderful relief.
